

BUILDING STRONG FAMILIES FOR GOD

Spring has sprung!

Everywhere you look, there are evident signs that spring has sprung. The birds are chirping, the sun is shining, flowers are blooming, and warmer weather is vastly approaching. Spring brings us hope. Hope in new things to come and excitement of the adventures that lie ahead. I don't know about you, but the first seedling that blooms in my garden brings so much happiness. The abundant amount of joy at the onset of spring is an amazing blessing. Spring also leaves things behind. Wilted leaves, snow covered roads, brisk temperatures and quite possibly, some of our favorite soups.

Spring is a reminder of the gift of salvation that we have through Jesus. As a believer in Christ, we are new. Brand new. We've been given the gift of the fruits of His spirit, and we are new in Him; therefore, we too, leave things behind. You've heard the old saying, out with the old and in with the new. This is exactly the case once we've accepted Jesus into our hearts.
