Notes

What is one area of your spiritual life that you would like to improve? Prayer? Meditation? Disciplining others? Dedicating time to serious Bible reading, memorization and application

Family Faith

Simplified Sermon Takeaways

Apostle Paul compares living a Christian life to running a race. Just like in a race where everyone runs, but only one person wins the prize, Paul encourages us to live our lives with the same determination and effort. He wants us to always try our best to follow Jesus and make good choices, so we can receive the special reward that God has for us in heaven.

Questions to Engage

- What do you think Paul means when he says we should run the race to win the prize? How can we apply that to our lives as Christians?
- Can you think of a time when you tried really hard at something? How does that relate to putting effort into following Jesus?
- Why do you think it's important for us to stay focused and determined in our faith, just like runners in a race?

Hebrews 12:1: "...let us run with endurance the race that is set before us."
