

BUILDING STRONG FAMILIES FOR GOD

WHO WE ARE... ON MOTHER'S DAY

We are sons and daughters celebrating Mom. We are thankful for her love, her sacrifices, and her ability to make things make sense when we need trusted guidance.

Some of us are also mothers and grandmothers being celebrated at the same time that we are celebrating.

We are also fathers, grandfathers, aunts, uncles, brothers, sisters, cousins, and friends.

Some of us only have our memories of Mom... and some are praying to become a Mom.

Moms hold families together... often behind the scenes.

Carefully praying and planning for the daily things and to always be prepared for all the different possibilities of how things could go. We love and are thankful for our mothers!

Most importantly, we are children of God! We are thankful for His love, His sacrifice, and His ability to make things make sense when we need trusted guidance!

We pray for all of you to be blessed in who you are today!
